

# MX-1570 Series

## EMLock

- Relock Delay Timer
- Door Status Sensors
- Anti-Tamper Switch

## Overview

The MICROAXS design represents the pinnacle of magnetic lock evolution. The modular EMLock assembly makes them easy to stock, install, upgrade and maintain.

MICROAXS 1570 series EMLocks include a lifetime warranty and is available in 1200lbs holding force. Compatible with any access control system, all EmLocks are adaptable to virtually any application utilizing Top Jamb or Glass Door mounting kits. The epoxyless design provides a superior appearance with a plated or anodized finish on all sides. The interlocking mount assembly leaves hands free for wiring and securing of mounting screws. EMLocks are UL Listed and ANSI Grade 1 compliant.

## Features

- Modular Design
- Modular Upgrade Kits
- Field Upgradeable without removing from the frame
- Uniform Design & Installation
- Identical Housing, Template & Accessories
- Quick Mount Assembly
